

ECO Pressure Clean - Terms of business

Our aim is to clean surfaces, deliver quality work and offer excellent value for money.

- 1. All work is subject to a free site inspection, estimate and where applicable or requested the clean of a test patch or area.
- 2. Any waste created will be bagged up and left at site unless alternative terms are agreed before work is carried out.
- 3. Any site clearance required prior to works may incur additional charges.
- 4. Free access to a water supply on a client's property is required Or if a Fire Hydrant is nearby and accessible we have a Scottish Water license to access it.
- 5. Paved surfaces and decking oil will require a return visit as surfaces normally need at least 24hrs to fully dry out.
- 6. Cleaning will not revive colour fading due to daylight, age or exposure ultra-violet light etc.
- 7. It may not be possible to remove 100% of any Dirt, Chemical, Paint, Graffiti, Oil, solvent, chewing gum and cement stains etc.
- 8. All areas to be cleaned must be sound in construction, cleaning may loosen or remove unsound, broken, damaged or perished surfaces, pointing, paving stones and insecure brickwork. In all cases the cost of any reinstatement will be the customer's responsibility. Area's around garage doors etc should be free of any items which may be damaged by water. As sometimes water can seep under a door frame when pressure washing. We do take care when working at doorways.
- 9. Our cleaning prices do not include a site clearance after cleaning -this can be added as a chargeable option if requested.
